

Needle Points To Success For Dynamic Young Law Firm

Garforth Town's Official Partners in Law, The Needle Partnership based in Chapelton has won the ACQ Award for New Law Firm of the Year, a prestigious award for the industry.

Instructed by a number of UK and international clients, the firm specialises in advising on a diverse range of complex and high value commercial transactions. The firm has quickly gained a strong reputation for providing no-nonsense, practical solutions and offers a portfolio of legal services, including acquisitions and disposals, investment agreements and joint ventures, as well as restructures and management buy-outs and buy-ins of significant size and complexity, often working across a number of legal jurisdictions.

Founder and Managing Partner Sharon Needle was attracted to working with Garforth Town by the coaching in the community packages that were available and their contributions have led to ten schools across Leeds, providing children with the opportunity to receive good quality coaching where they may not usually be able to have access to it.

Garforth Town Junior Champion of Champions Tournament

This Summer Garforth Town will be hosting a junior tournament for teams that have won their local league or cup competitions to distinguish a Champion of Champions team for each age group across Leeds and surrounding areas.

Competed over the weekend of the 18th/19th July the Club would also like to encourage the local community to come along and support by having a number of Summer Fayre activities going on around the stadium. The Club would like to appeal to it's supporters to come along and assist with the activities on the day to help the day to run smoothly.
