

Best performance so far...

On Saturday Town shared a point with Woodley Sports despite dominating the match for the full 90 minutes. A number of chances were created which is positive to see but a fantastic display by the Woodley keeper combined with less than clinical finishing left the match goalless until the last ten minutes. Woodley nicked a goal against the run of play and looked like they had stolen the points until Milton Turner stepped up from the back to smash a 30 yard pile driver to earn Garforth a point.

This weekend we are back in the North East to play Jarrow Roofing Boldon in the FA Cup 1st qualifying round. Despite being two leagues below Garforth in the Northern League, Jarrow are unbeaten this season and beat a good side from Penrith in the last round so will be a stern test for our side. It would be great to get a good Cup run going again this season after last year's cup success so please join us in support if possible. There is a bus going from Garforth Town at 11.30am, seats cost £12 an adult, £6 a child.

Friday Night Youth Club

As part of the growing partnership between Garforth Town AFC and Garforth Community College, a youth club is going to be held for the college's pupils on Friday evenings between 7-9pm.

The project to is aimed at giving the young people in the area a venue to use their Friday evenings for positive activities and offer advice and information on a number of different areas and will begin on Friday 18th September. The project has been supported by Leeds City Council who would like to engage the young people in productive activities outside of school hours.

Unfortunately this means that the bar at the football club will not open to its members until 9pm on a Friday evening.
